Kindergarten/Grade 1 Combo

Our kindergarten to grade 1 Combo Class provides instruction in tap, ballet, and jazz dance techniques. The ballet and tap portions of class are built off of the preschool curriculum. Students learn more advanced tap steps, including Maxie Fords and buffalos, while reviewing shuffles and ball changes to enforce the basics. In ballet, students learn the basics of the ballet barre, including plies, tendus, and degages. The jazz section of class will introduce stretching, isolations, and core strengthening exercises. Students in the kindergarten to grade 1 combo receive a well rounded education, laying the foundation for future learning.

Hippity Hop/Acro Combo

This combination class of Hip hop and acrobatics is sure to get your little one to "wiggle it just a little bit!" The 45 min lesson will incorporate a fun, fast moving age appropriate style of hip hop dance with pop music so that your child will increase their confidence and express their creativity while being supported in a safe environment with our experienced warm loving teachers.

Performing Group

A fun and nurturing non competitive group which performs an additional 4-5 times a year.

Break Dance

This form of hip hop dance requires a strong upper body and a willingness to try new and exciting things. Students will learn the basics, while progressing to head spins, back spins, and wind mills in higher levels of break.

Musical Theater

Our Musical Theater classes allow children to create a character that is truly their own. Class combines various forms of dance with different acting exercises to give kids a well-rounded theater education. Children will learn dances and scenes from beloved musicals and popular plays, as well as create their own dramatic stories with their classmates and teacher.
